

## FREE SECURITY ASSESSMENT

Mega Pixel Security offer a free security assessment for your business using Mobotix High Resolution Digital Cameras.

Cameras are set up on a mobile stand in various locations around your business to demonstrate the image quality and the coverage of the cameras.

Compare your existing surveillance cameras side by side against the Mobotix High Resolution cameras.

Its time to upgrade to the Mobotix High Resolution Video Surveillance System from Mega Pixel Security.

For a FREE Security Assessment Email Mega Pixel Security:
